CURLING

The early history of curling is somewhat obscure, it is stated by some writers that the game is of Flemish origin and was played in France and Germany before being introduced into Scotland, you can believe most anything if you want to, anyway it was known in Scotland as early as the 16th Century, the first rough stones having a thumb hole instead of a handle. The Scotch became the leaders and developed the game and played it for 400 years more or less. The Royal Caledonian Curling Club of Scotland was organized in 1825 or 1829 and during the years the game spread to many northern countries such as Greenland, Norway, Sweden and Russia.

It is stated that in Canada the game has been growing in popularity since 1807. In the United States the record goes back to 1825 at least.

The greatest center of curling today is in the city of Winnipeg. The Winnipeg Granite Club was organized in 1880 and affiliated with the R.C.C. of Scotland in 1888, the Winnipeg Granite Club was organized in 1880 and affiliated with the R.C.C. of Scotland in 1888, the Winnipeg Granite Club was organized in 1880 and affiliated with the R.C.C. of Scotland in 1888.

The Strathmore curling club was organized in the fall of 1922 by Mr. W. G. Way as president and Harry Vicars as secretary treasurer, a total of 16 risks was organized at the time the first year was to get the building up and two sheets of ice ready, and then to teach the rudiments of the game to a lot of green hands. Much honor goes to our first president for his firmness and tact in putting the 'grand old roarin' game' on a sound footing.

The presidents in order are W. G. Way; A. B. Foot; A. D. Shrimpton; Robert S. Stockton; P. N. Ridley; Fred Cott; Wm. Gray and T. Glendinning of which the last four have had two terms each which makes up the 12 seasons of play including the present one. The secretary treasurers during this period were Harry Vicars; P. R. Dobson; D. M. Lund; George Quirns; P. C. Taylor and J. L. Cannon.

The annual bonspiels have been great events from the standpoints of the curlers and many good contests have come here to curl for the prizes offered. Probably the two most notable victories that have come to the club are the winning of the McDonald Challenge Trophy from North Hill on Feb. 7th, 1931 and the recent winning of the Bank of Commerce Trophy which was captured at Rockyford on Tuesday January 9th, as reported in our issue of January 10th.

This little history brings us from the 16th Century right down to the Strathmore Bonspiel of 1934 to be held Feb. 25 to 28 inclusive. Watch the Carlers and you will see some exciting games.

From the Carlers prayer by McMurdo Maist brother Scots and lots for boy, Lo's fine this roarin' game.

There's nae a drapin' noo about, 'Tae steal oor wits awa.

Sae let us curl te hearts content, Oh, danna let it daw.

The ladies Curling Club of Strathmore has also an interesting and eventful history which is reserved for a future issue.

The Standard is indebted to Mr. R. S. Stockton for the above interesting article.

DEATH OF MRS. J. BARNETT

Mary Elizabeth McBride, Mrs. Barnett's maiden name, was born at Fitzpatrick, Ontario, on the 12th of April 1864. The family shortly afterwards moved to Princeton, Indiana, and again to Effingham, Ill. where her father died, thence to Edwardsville, Ill. where most of her girlhood was spent. She was married to Mr. Barnett in 1881 and lived in the neighbor hood until 1911. In March 1911 the family came to Canada and settled on land 7 miles east of Strathmore where they have since resided.

Mrs. Barnett's life has been one of service and uplift to all those she came in contact. She could do any work, she was a nurse, mother and repaired the plaster of her house. She could apply a tourniquet and stop a bleeding artery. She could make a silk dress and was an authority on the cutting and fitting of all women's apparel. Moreover she was a woman of deep and fearless personality and made her presence felt for good in every group she joined.

About 3 years ago she became totally blind from an infection called hardening of the eye balls.

From her girlhood she had been a member of the Presbyterian church until coming to Canada, when she joined the United Church.

In her younger days she was active in organizing Sunday School picnics and church socials. She leaves her husband and one son James and one elderly sister, and one grandchild at home and 4 grand children at Rockyford to mourn her loss. It can be truthfully said that she has left the world purer and better for having lived in it. Of such is the Kingdom of Heaven.

The funeral was held from the United Church Strathmore Jan. 31st at 2 p.m. Rev. Brudgess officiating. Funeral arrangements in charge of Chase and Co. Funeral Home.

The Pall Bearers were Mr. S. Garth, D. Garriot, Bill Dams, Jim Cornack, Alford Schoer and A. Weyer.

DEATH OF WILLIAM GRAY

William Gray, who resided for many years in this district passed away suddenly last Friday while working in the field on the farm of W. Fawkes Nannakess.

Mr. Gray was well known, being employed until a few seasons ago in the P. H. construction camp and was a member of the local branch Canadian Legion, having served overseas with the 52nd Batt. and the 72nd Highlanders.

The Pall Bearers were Wm Fawkes J. Fawkes, E. Wilson, J. S. Gunn, W. Gray and A. P. Gray.

NAMAKA

The annual Burns Concert and dance drew a large crowd to the I O O F Hall last Friday night and netted the Athletic Club about \$18 for their efforts. A short but varied programme was given consisting of vocal solos by Miss Alice Garrett, Miss Merle Baker, H. R. Wooster and G. H. Patrick. Whistling solos by Mrs. V. Schutte, Ardenian Miss Jean Thomson, Pianoforte duet, the Misses Florence and Alice Garrett, violin duet, A and J Bremner. Scotch and tap dances by Miss Marjorie Dingle of Calgary. A playlet by the Misses Milly Bremner, Merle Baker and Charlotte Watson, and selections by the orchestra. Rev. Mr. Brundage, chairman, proposed a toast to Bobby Burns in a few well chosen words. Accompanists for the evening were Miss Florence Garrett and Mrs. P. E. Waters. Chairman of the committee in charge was R. D. Anderson. Bremner's orchestra supplied the music for the dance.

Arthur Hagar left Tuesday for Calgary to spend the remainder of the school term with his grandparents, Mr. and Mrs. Fairbrother.

Namaka Juniors played their first hockey game of the season last Sunday with Hammer Hill, defeating them 4-0. Three goals were scored by Orville Bremner, the other by Francis Aikens. Hammer Hill also lost the previous Sunday to Shamrock who beat them 2-0. Linup: Namaka, E. Baker, R. Watts, O. Bremner, J. Fawkes, N. Wooster, P. Aikens. Hammer Hill, H. Thomson, D. R. Oliver, G. and J. Colpoys.

Miss Marjorie Dingle of Calgary spent the week end the guest of Miss Marjorie Wooster.

Namaka was shocked last Friday afternoon to learn of the sudden death of Bill Gray who was in apparently good health up to the hour of his demise. For many years the late Mike Brown's handy man here and in Carleton, and the past year helper on the Smitten and Fawkes farm. Bill's family figure will be missed about Namaka.

At a well attended annual meeting of the ratemakers of Namaka school district held last Saturday afternoon, Loy Wheeler was appointed trustee to take the place of R. Hagar, retiring member. The treasurer's report showed school finances to be in very satisfactory condition.

Last Sunday morning the Rev. Mr. Brundage started a series of sermons on the subject of trouble in relation to God, such as sickness, death, and misfortune. He raised some interesting questions such as to whether God takes or spares, certain people, protects or rejects them. Come out last Sunday and hear Mr. Brundage's ideas regarding the answers.

At a well attended joint meeting of the U. P. A. and U. P. W. A. held at the home of Mr. and Mrs. Thomson last Monday evening, Mr. Thomson, local delegate, gave his report of the U. P. A. convention held recently in Edmonton.

ton. The ladies division held an election of officers appointing Mrs. Harris president, Mrs. Thomson vice president and Mrs. J. McBean secretary-treasurer. At the close of the meeting the hostess served a delicious lunch. The next meeting will be held at the home of Mr. and Mrs. H. Wooster.

Eagle Lake was a popular spot with the young people of the district on Sunday afternoon and evening. About five carloads of skaters motored from town to enjoy several hours skating. The only thing to mar the pleasure of the evening was the sweet scent of a skunk which was somewhere near by, but apparently too shy to join the party. After skating was over they went to the home of Mr. and Mrs. Wooster where everyone enjoyed coffee, cake and sandwiches, and an hour's sing-song was enjoyed.

CROWFOOT

The blizzard that swept through the district last Tuesday kept all the children away from school.

After the storm the casualty list read as follows: One hog standing, believed killed. Since then this report was unfortunately been verified.

Mr. Bill Wevers has an accident with his car on his way to Strathmore early on Saturday morning. Owing to a mishap to the steering gear, the car added into the ditch. Neither of the occupants were hurt.

Mr. Jim Barstow has returned from his trip to the coast where he enjoyed the warm sunshine and the blooming flowers.

Quite a number of the neighborhood did honor to the memory of Billy Burns at Namaka on Friday evening.

ARDENODE

The Junior U. P. A. held their meeting at the home of Miss Vera Sarsons Saturday evening last. The Hot Call was answered by a well known man or woman, and his or her vocation, early in life. The Local's president, Mr. Lawrence Angles gave an address on what the local will accomplish in the coming year. Discussions for putting on a dance was heard by all to wait for a while. Business being through the hostess served a delightful lunch, which brought another enjoyable meeting to a close. The Juniors will meet at the home of Mr. E. C. Chandler, February 17th.
